Council Meeting Monday, July 27
St. Albert Curling Rink This problem, which has been up in the air for over 2 years, has entered a new phase with a petition presented by Mr. R.A. Russell on behalf of 60 residents opposing the purchase of the Curling Rink by the Town. A few minutes later, Mr. Armand Donais presented a brief to Council on behalf of the St. Albert Men's, Mixed and Ladies Curling Clubs, supporting Council's purchase. Councillor Dick Fowler moved that the petition and the brief be kept on file until such time as Council re-opens this matter, at which time they will invite Mr. Russell and Mr. Donais. This resolution was accepted by Council. For the general interest of our readers we are publishing the contents of the petition and the brief.

PETITION

At a meeting of the Council of the Town of St. Albert, held on June 22nd, 1964, the town passed a motion "That this council approves in principle the purchase of the Curling Rink, land and equipment for \$106,000.00 by September 1st, 1964." with certain provisions.

We, the rate payers whose signatures appear on the petition which I have placed before Council, protest this decision on several grounds.

1. That the original by-law passed by the Board of Administration to borrow \$95,000.00 to lend to the Curling Rink was a money By-Law on which the rate payers had no opportunity to vote in a proper plebiscite. There is considerable doubt as to whether the 1962 By-Law was in fact legal for the purpose for which the money was to be used.
2. That the Curling Rink has never made money during its operation and indeed, has not even been able to pay its taxes. There is no reason to believe that it could make money if operated by the Town Council. We are therefore faced with more than just a capital cost of the \$106,000.00; we face also the prospect of owning a losing business that would have to be paid for by the tax payer.
3. We do not believe that the Town Council should be in the business of running a Curling Rink. Certainly, gentlemen, you have enough problems without rate payers appearing before you each Monday complaining about poor ice, bad schedules, cold coffee and the assortment of complaints that plague a curling operation.
4. The borrowing of \$106,000.00 to purchase this rink may inhibit any future plans to borrow money for other recreat-

ional needs, and we sincerely feel that if a sum of this size is to be borrowed, then it might be better spent on a recreational facility that would serve a larger segment of our town population.

5. While we are most sympathetic to the individuals concerned who own the Curling Rink Company, we feel that the problem of financial obligation is one that lies strictly between the owners of the rink and the Bank, and that the Town should not become involved in any way whatsoever.

6. In our humble opinion, the prime responsibility of Council in this matter is not to the Curling Rink operation, not to the Bank, but to the tax payers. As home owners who are concerned with the talk of claims against the town, we are opposed to any additional borrowing until the claims against the Town have been made clear to us. We strongly urge the Council to present us with a plebiscite whereby we can register our protest or approval on a ballot.

7. We feel there are alternatives to purchasing the Curling Rink and while the onus is not on us to do so, we might suggest that the Bank sit down with the Curling Club and refinance the indebtedness over a long term. The Curling Club should be re-organized with the election of a new executive which would be given the responsibility of hiring new management, if necessary, and of making the operation a paying business.

8. We are not in the least bit optimistic about the curling rink being used during the summer to earn any substantial revenue.

BRIEF TO COUNCIL

The undersigned appears on behalf of over four hundred active curlers who, as the hard core of the curling fraternity in our town, are most concerned about the welfare of our fine curling rink, and wish to go on record as supporting the resolution recently passed by this honourable body, whereby taking over of the rink has been approved in principle. In arriving at a final decision, several points should be considered:

(a) A precedent is certainly not being set as is exemplified by the Sportex Building containing 32 sheets of ice built by the City of Edmonton and an even larger complex built by the City of Regina, to name only two.

(b) Whereas curling may be considered by some to serve a limited number in the community, it is the only nationally recognized sport facility presently available in our town and as a community enterprise the facilities would be available to each and every person wishing to make use of same. Further in this respect, curling is now recognized as desirable recreational activity by educators throughout the country, with national competition now evolving at all school age levels.

(c) Although we realize that the rink has not been a success financially to date, anyone who is fully aware of the serious handicaps under which the club has had to operate, cannot help but wonder that it has done as well as it has. Given the proper backing, continuity of management and imaginative promotion the curling rink could become a tremendous asset to our community, literally as well as financially. Much more could be said in favour of having this recreational centre municipally owned, however, we thank you gentlemen, for allowing us this opportunity to express some of our views, and commend your foresight in your intended course of action.

Yours very truly,

St. Albert Community Hall Mr. Lyle Randall attended the meeting on behalf of the St. Albert Community League. He stated that the Board of Directors of the Community League are still prepared to honour their proposal to turn over the Community Hall and land to the Town of St. Albert. He mentioned that it was the wish of the Directors that the Community Hall not be moved, and that the Town lease the Hall back to the Community League. Mayor Veness and some Councillors found that the original proposal was not the same as is proposed now by the Community League. Therefore, the Mayor wondered if the Town could accept this agreement.

During the discussions, the \$22,000. Provincial Recreation Grant came under discussion. This Grant was available for more than 4 years, but it is still vague where the money will be used if the Town doesn't come to an agreement with the Community League. Mayor Veness

continued

made it quite clear to Council that now is the time to make a firm decision regarding the use of the Grant. Some Councillors were afraid that the town would lose the money if it wasn't used for the original purpose - renovating the Community Hall. One Councillor suggested that the Senior Administrator should contact the government to find out if another use of this grant is permissible. All councillors agreed that a decision must be made now in this matter. Mayor Veness stressed very clearly that a well outlined over all recreation plan should be worked out and brought before the people in the coming October elections, so that the taxpayers can vote on a Recreation Money Bylaw. Dr. Stewart moved: "That the Provincial Government be informed that Council wishes that the recreational grant be applied to swimming facilities for the Town of St. Albert, details of which will be submitted subsequently to rate payers in October, 1964, for a form of plebiscite." Carried. Mr. Randall was asked by Council if he agreed with the contents of this motion. He said that the St. Albert Community League was willing to wait until such time that Council feels is suitable for further negotiation.

Dog and Cat Control Mr. A. W. Bruce of the S.P.C.A. attended this meeting at the request of Council because there are so many complaints about dogs running loose at night. Mr. Bruce informed Council that this is a common complaint in most other towns and cities. He said that the S.P.C.A. is quite willing to patrol during the night also, but that instead of the \$120. per month as at present, it would cost the town \$250. He also mentioned that in their contract with the Town, the S.P.C.A. has nothing to do with the cat problem whatsoever. One of the councillors asked how they could catch dogs at night because as he said "You can't see a thing!" Mr. Bruce said that the Town of St. Albert is well lighted so that would be no problem. As Council couldn't decide, Councillor Skrobot moved that the Senior Administrator and Mr. Bruce find a solution together and bring it to Council.

Traffic Signs Councillor Skrobot suggested that the Yield signs at the corner of McKenney Ave. and Grandin Rd. be reversed to allow east-west traffic the right of way.

Street Lights Council approved the installation of street lights in the north west part of Grandin Park and the south east part of Sturgeon Heights. These to be installed in August and September.

Playground

Mission Park The Mission Park Stampede was a big success, and a highly competitive atmosphere prevailed. The children enjoyed participating in such events as the chuckwagon race, the chariot race, the calf roping contest and the tug-of-war. Thanks go to Mrs. Burton for supplying cookies for everyone. Thursday at 5 p.m. Mission Park will be sponsoring a cricket tournament which will include all playgrounds.

Grandin Park The peanut carnival held in the Grandin rink on Thursday, July 23 was well attended and all had fun. The next day fifty children from Grandin hiked to the museum. Thus Thursday, Grandin Park members are having their rodeo at 2 p.m. Entries should be in by Thursday noon.

Sturgeon Heights Sturgeon Heights' peanut carnival was equally successful. The sponge throwing booth, in which one had the rare opportunity of hitting the human target with a sopping wet sponge seemed to receive the most business. A nature hike is to be held on Thursday at

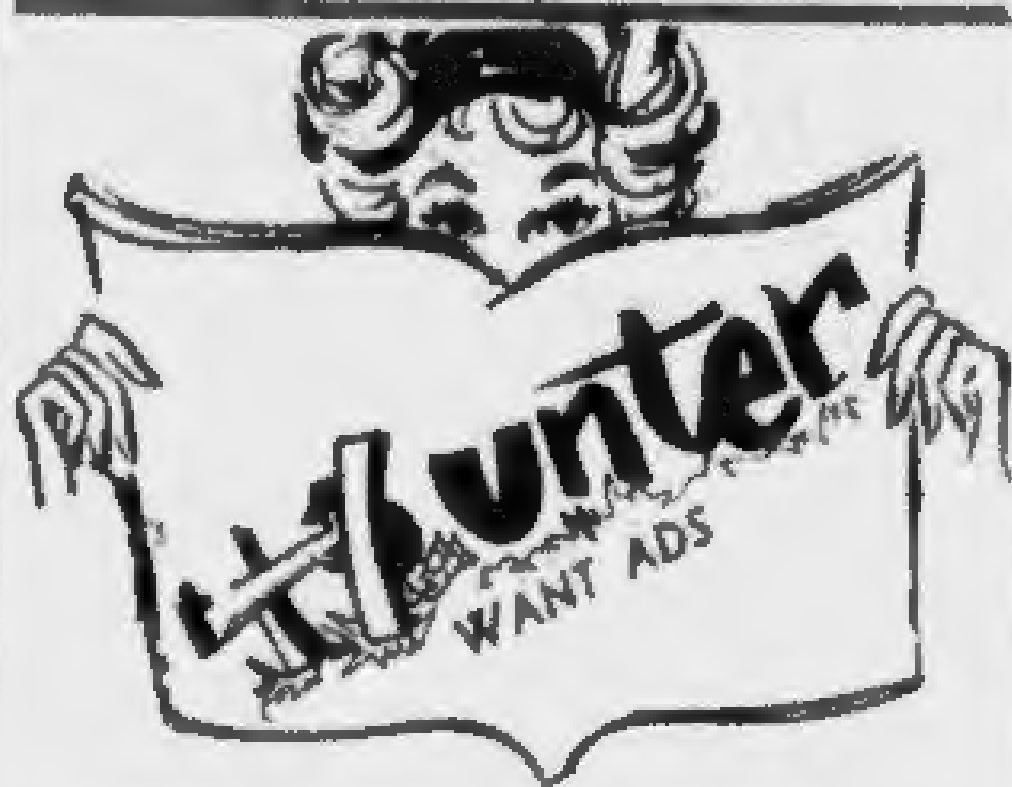

1 p.m. (Written permission to attend is required) On Friday at 6 p.m., Sturgeon Heights hosts the other playgrounds to a horseshoe tournament for ages 12 and over, and a pet show will be held earlier at 2 p.m. Pets will be brought in a cage or on a leash.

SUMMER FESTIVAL

The Banff School of Fine Arts will bring three productions to Edmonton early in August. On Monday, August 10, the opera "Falstaff" by Verdi will be performed by a cast including Edmonton-born Bernard Turgeon. On Friday, August 14, an original musical comedy by William Solly of "By For Lady" fame will be sung and danced by the Banff students. The final production on Monday, August 17 is the drama "Candida" by George Bernard Shaw directed by Shaw's friend Dr. S. Iden Payne and featuring JoAnne Lindig, who has worked for several years with Dr. Payne in Texas; Allan Legge of Okotoks, Alberta and George Botchett of Brandon, Manitoba. Professor Joseph Smith of Hawaii will play one of the leading roles as has been his custom in previous

LEGAL'S

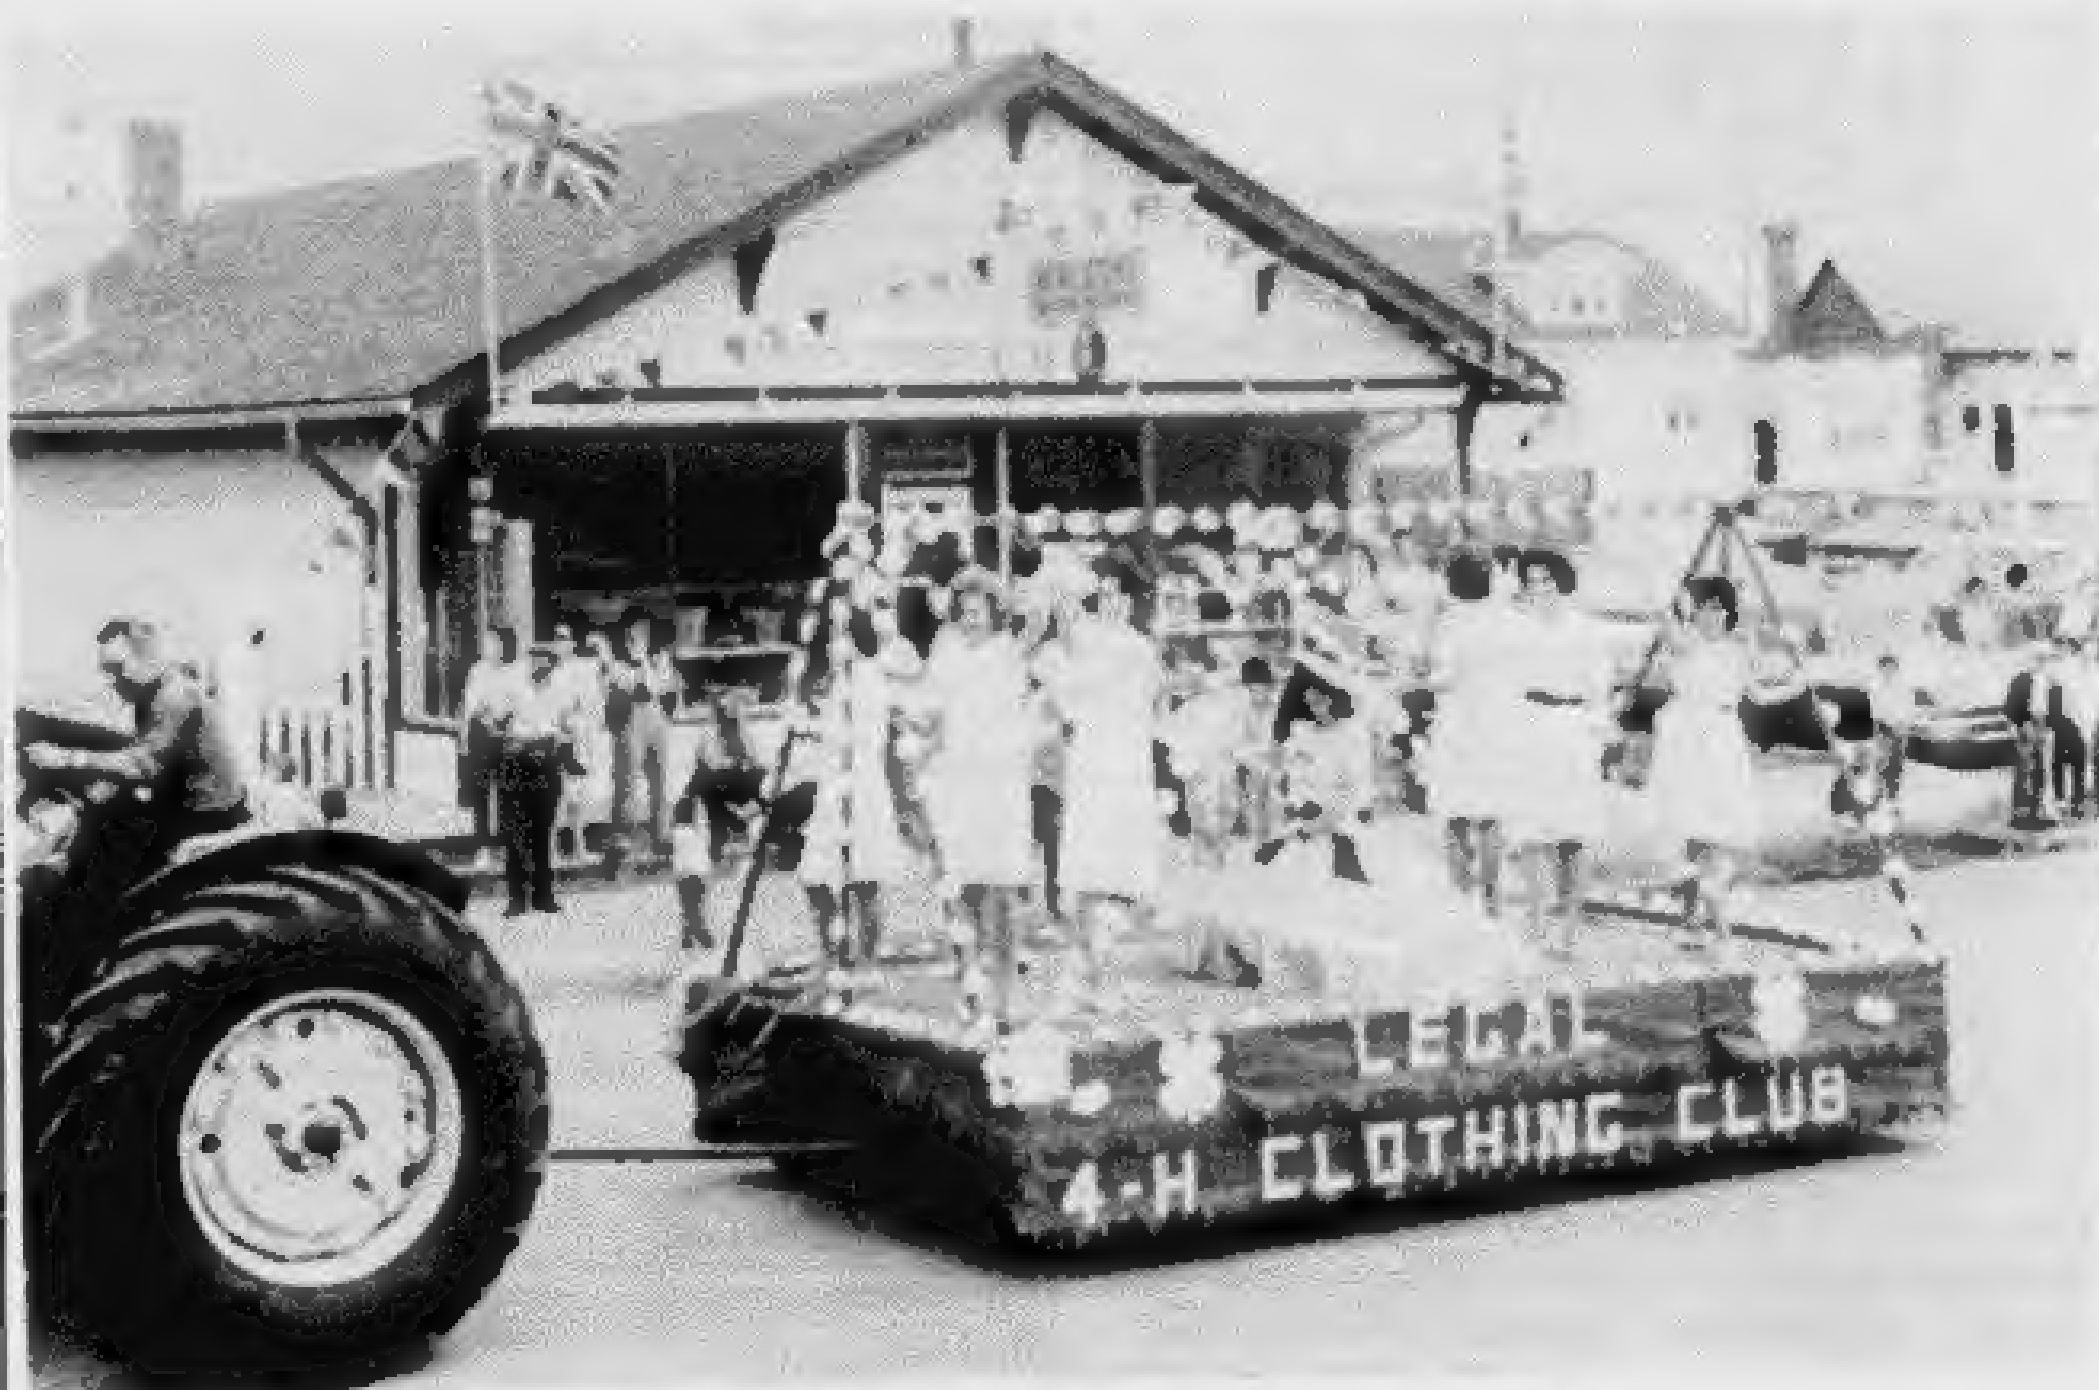

50th Golden Anniversary

FETE au VILLAGE

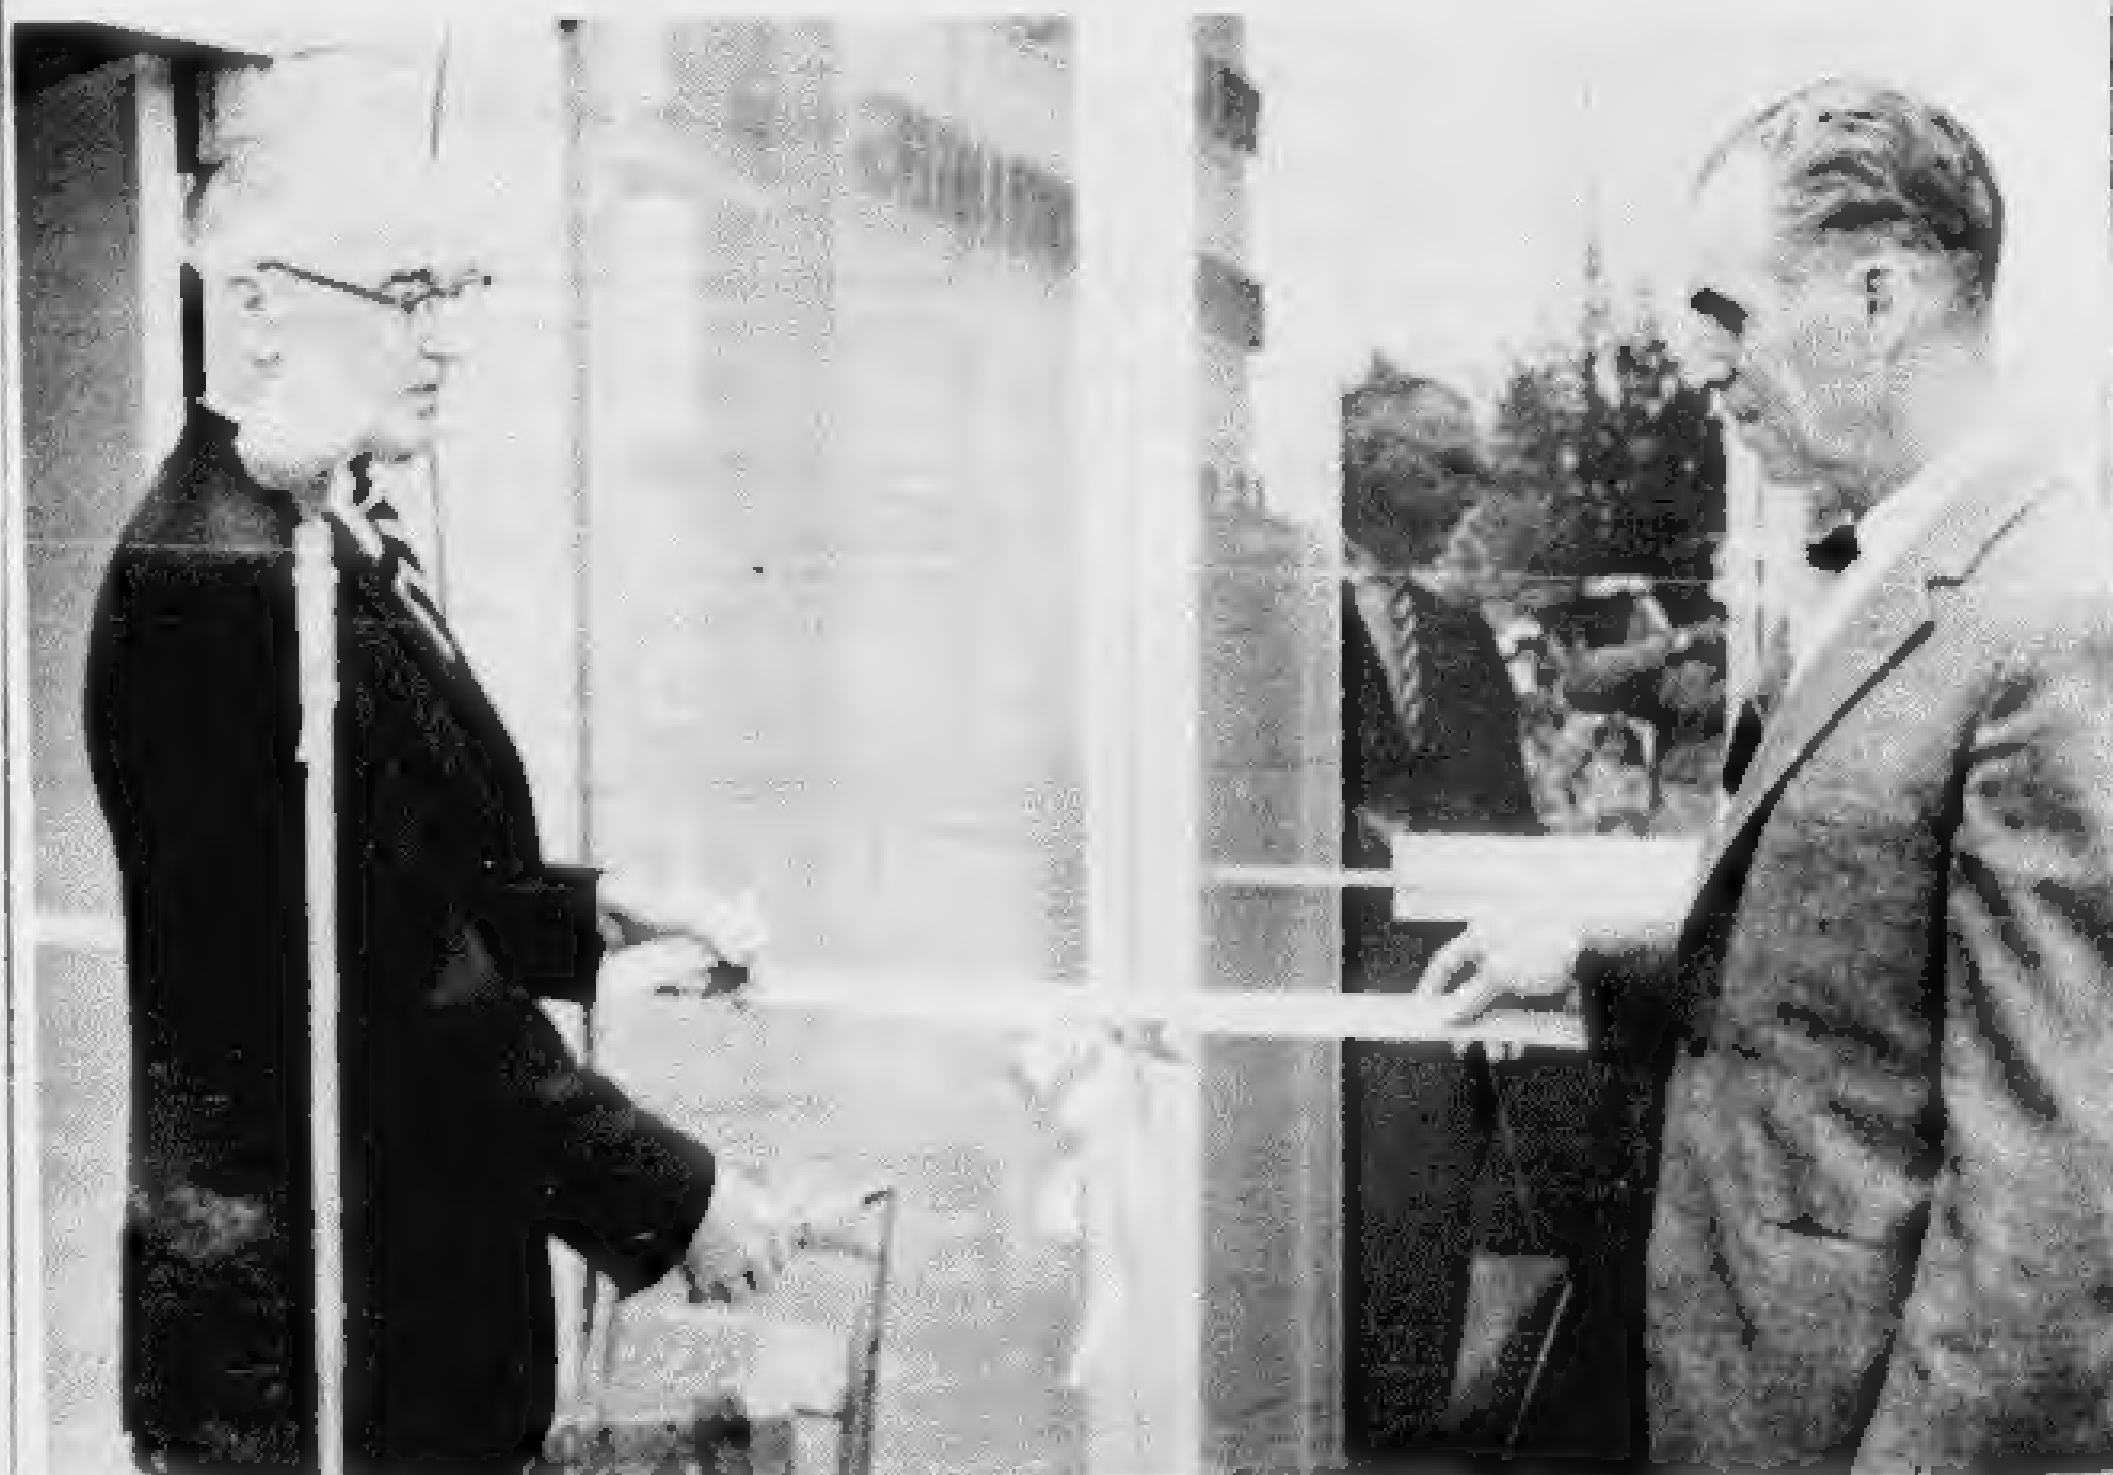

The 650 citizens of our good neighbor to the North, Legal, have joyously celebrated their 50th Anniversary. Before we give you a report of these exciting days, we would like to pick two names out of the hundreds of very active organizers for special mention. One is Father Primeau, the pastor of Legal, (called by Gordon Taylor, Minister of Highways, "the fireball of Alberta") who with his tremendous pushing power and creative thoughts kept everything going smoothly without any delays. The other is Mr. Walter Van Dersalle, Councillor for Sturgeon County and a first class citizen of Legal. He was Master of Ceremonies for these two days, and his perfectly timed agenda added so much to everyone's enjoyment. We spoke to many citizens of Legal and all of them said "what would we have done without these two men?".

The celebration opened with a huge hour long parade which set the festive mood for the two day event. This parade was proof of what co-operation between all the citizens can achieve, for besides the quantity, the quality of the parade was of the highest. Many of the floats required several days' work, and the finished products were something of which to be proud. Besides several bands there were the following entries: Stage Coach, Recreation Centre, Sacred Heart Convent, Northwestern Utilities, U.G.C. No. 1, Legal Hotel, Legal Soccer Club, James Goulet, Revelstoke Material, Vimy 4H Club, C.W.L., Sturgeon Health Unit, Alberta Wheat Pool, Canadian Legion & Ladies Auxilliary, Desrosier Florest, Imperial Esso Dealer, National Grain, Legal Co-Op, Majorettes, Band - Edmonton Fire Dept., St. Martin & Sons Farm Ltd., Knights of Columbus, Ladies of St. Ann, Legal Motors, Legal 4H Clothing Club, I.H.C., Legal 4H Beef Club, Legal Savings & Credit Union, Catholic Boy Scouts, Coaster Car Club, Craig's Welding, J.E.C., Bank of Nova Scotia, May Queen - Legal High School, Jules Larose, P.U.A., Surprise float, Play School, Legal Electric, Lad's Ditching, 1932 Ford V8, Lucille's Beauty Shop, Le Champlain's Garage, St. Albert Credit Union, Legal Dairy Sales, Legal Ball Club, Mrs. Ray Pelletier, Sony Rockwood. Following the parade there was the official opening, and the blessing by His Excellency Bishop Lussier of St. Paul, of Legal's new administration building.

Up to now Legal's administration and Council meetings were carried on at the Secretary-Treasurer's home. This new town hall has a modern council chamber and office for the staff. On behalf of the Department of Municipal Affairs, Mr. Bruce Ramsay gave the audience an historical review of the Town of Legal. (See elsewhere in this issue) After the official opening the general public had an opportunity to tour the building. In the meantime, Father Primeau and Mr. Van DeWalle were busy checking preparations for the banquet which was held in the Legal and District Community Hall. This banquet was attended by many officials: His Excellency Bishop Lussier, His Worship Mayor L. St. Martin, Rev. Father Primeau, Councillor George Montpetit, Hon. Gordon Taylor, Mr. W. Van DeWalle, Mr. Keith Everitt, M.L.A. for Sturgeon County, Mr. Bruce Ramsay, R.D. Jorgenson, M.L.A. for Pembina, Stan Walker, Chairman of Sturgeon County, Councillor N. Letourneau, Mr. Joe St. Martin (former mayor and father of present mayor), Dr. Hugh Horner, M.P. for Jasper-Edson, Mr. Brian Ellis, Vice President of Associated Engineering Ltd., builders of the new town hall, and their wives.

Keith Everitt introduced the Hon. Gordon Taylor, guest speaker, who stressed that this community was built by the efforts of hard working pioneers, and he hoped that the younger generation would carry on the spirit and power of these "great men of the past".

Telegrams of congratulation were read from Prime Minister Pearson, Opposition Leader Deifenbaker, and from the Gray Nuns. Associated Engineering Ltd. presented the mayor with a gavel.

The day continued with a giant baseball tournament, the first ball being pitched by the Hon. Gordon Taylor. Legal Pontiacs won the tournament, defeating the Alexander Braves of the Alexander Indian Reserve, by a score of 7-6 in extra innings.

The winners of the Horseshoe Tournament were Oswald Chevalier of Clyde, Victor Ringuette, Vimy, Norman Boisvert, Legal and Fred Martineau of Legal.

The hundreds of people enjoyed the midway, bandshell performance, barbecue, concessions, games of chance, grandstand show, folk singing, and dance till way on in the evening.

On Sunday evening there was a concert featuring TV singer LouLou, and the Smiling Sisters of Legal a quartet of little girls dressed in nuns costumes. The two day event was brought to a close by a giant fireworks display.

LEGAL'S HISTORY

founded about 1898 and named in honour of Mgr. Baile Joseph Legal, the first Roman Catholic Bishop of Edmonton who died in Edmonton in 1900 at the age of 71 years. It was not until fifteen years later that a petition containing 30 names and dated December 17th, 1913 was forwarded to the government requesting the incorporation of parts of Sections 23, 24, 25 and 26 containing 240 acres as the Village of Legal. At that time a hamlet had to have not less than 25 dwellings and to cover an area of 240 acres before an application could be made for incorporation as a village. The petition was forwarded by Mr. J. B. Côté, and was witnessed by Mr. R. Guertin. The first signature was that of Phillippe Michaud, a merchant. It is interesting to note that this petition was signed, among other, by 7 merchants, 3 carpenters, a mine operator, a tin-smith, 2 blacksmiths and the telephone operator.

The necessary notices were published in the newspaper "The Progress" of Morinville on January 8th and 13th, 1914 and the hamlet was declared a village by a Minister's Order dated February 20th, 1914.

The first election was held at 8 p.m., Thursday, March 5, 1914 in Bougie's Pool Room with Romuald Rouleau, General Merchant as Returning Officer.

Those elected to the first Council were T. St. Armand, Reeve, and W. Fortin and J. B. Côté as councillors. The first meeting of the council was held in Bougie's Pool Room at 8 p.m. on Thursday, March 19, 1914 with R. Rouleau as Secretary-Treasurer.

Elections were held each year and in 1915 M. Massie was elected reeve with W. Fortin and D. Bougie as councillors. Through the years that followed the names of some of the earlier Reeves were - Massie, Beart, Trudel, Duguet and Julien with such persons as Lemire, Côté, Counier, Bazinet, Senechal, Blais, Lafond and Carriere acting as Secretary-Treasurer.

The Department's file reveals that there was comparatively little correspondence carried on between the Department and the Council which could indicate that the affairs of the village were carried on in a sound, diplomatic manner by the councils - at least we hope so.

There were, however, several items that turned up which may be of interest, one of which was that a complaint was submitted complaining of the large amount of this person's school tax for the year in the amount of \$8.00. I wonder what the person would say today after receiving a modern days tax notice.

Another interesting item was a report to the Department by the Secretary for the year 1914 which included the following information.

continued on next page

Bishop Lussier speaking during the banquet.

The Head Table at the banquet.

Some guests at the banquet.

| | 1914 | 1963 |
|------------------------------|-----------|------------|
| Total assessment of property | \$11,750. | \$540,000. |
| Tax levy | 268. | 26,200. |
| Tax collections | 166.50 | |
| Mill rate | 20 mills | 54 mills |
| Estimated population | 315 | 577 |

Time passed slowly on and as it went, improvements in the village continued to be made on a pay as you go basis until 1949 when a big step was taken and about \$62,000. was borrowed to install water and sewer systems. Legal was one of the first villages in the Province which had water systems as compared to 80 odd villages which now have these utilities. And just last year, another \$24,000. was borrowed to make improvements to these systems.

The Council and the ratepayers of the village have continued to look forward and to consider other necessary improvements. As a result this new and functional village office building has been erected to serve the ratepayers and residents of the village.

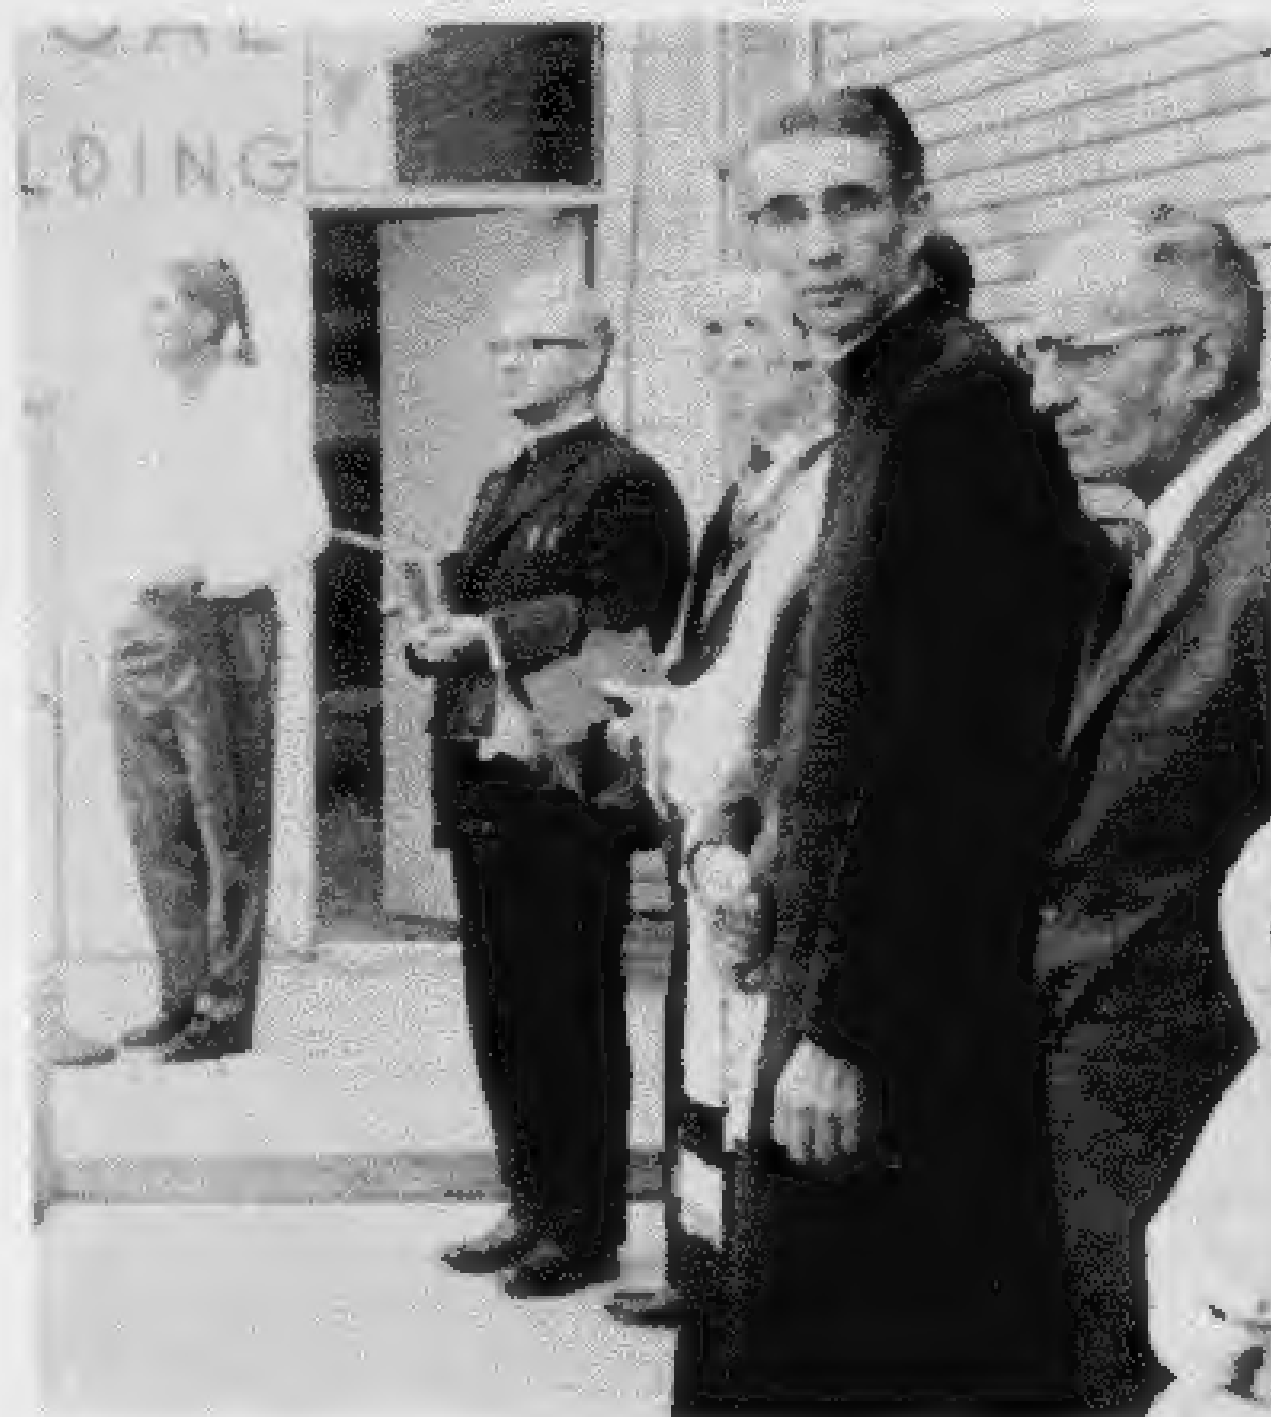

The Council will, in all likelihood, now be able to hold their meetings and to discuss their many problems in a more suitable location than probably the first council did back in 1914 in Bougie's Pool Room.

LEGAL'S

RELATIONS

WITH ST. ALBERT

Legal's relationship with St. Albert goes back the whole 50 years. Not only the Mission Fathers and the Gray Nuns, but the many citizens who have moved from Legal to St. Albert, have tied them together. So many of these people turned out to celebrate this 50th Anniversary with their friends and relatives. At present there are many other close contacts, for instance in sports, their baseball and hockey teams have met in furious competition for many years. One of the latest sports contacts is Legal's Soccer team which is under the capable coaching of Tony Lester. They met St. Albert several times this year. St. Albert, Legal and all of Sturgeon County are bound together by very strong and old historical ties which made this a good country in which to live. Above all the religious atmosphere has added tremendously to the constant strong principles of this district.

MINISTER APPOINTED

The Presbyterian Church of Canada has appointed a minister for the St. Albert Presbyterian Church. Rev. W. D. Jarvis will be coming to St. Albert from Merigonish, N.S. sometime in August.

The service for next Sunday, August 2, will be taken by Mr. James Parker.

TUBERCULOSIS TEST SURVEY

A tuberculin test is a simple skin test used to find out whether or not there are tuberculosis germs in the body. The tuberculin substance is introduced under the skin on the forearm and the reaction is interpreted several days later. In the majority of cases, nothing happens indicating that there are no tuberculosis germs in the body. If a small area of redness occurs at the test area, this is a positive reaction. It does not mean a person has T.B. because a person can have tuberculosis germs in the body without developing T.B. A positive reactor should have a chest x-ray at once and will be followed regularly for a period of time by the Sanatorium Doctors. In schools, children in grades 1, 5 and 10 are routinely tuberculin tested as are families of positive children. All foodhandlers, milk and cream shippers, and meat packers and shippers should be tested for public protection. Anyone who is a positive reactor and everyone over 40, even though they are not reactors, should be x-rayed regularly.

Additional information on Tuberculosis Control is available upon request from the Sturgeon Health Unit.

UNITED CHURCH

On Sunday July 26, at the Morning Service, the following were baptized by the Rev. Dr. E. Schwarz: Bradley Scott and Bryan Gordon, sons of Mr. & Mrs. G. P. James; Lani-Rae and Leanne-Dawn, twin daughters of Mr. & Mrs. D. R. Wilson; Jeffrey William Thomas, son of Mr. & Mrs. A. E. Cunningham; Yvette Cindy, daughter of Mr. & Mrs. E. R. George; Wendy Marie, daughter of Mr. & Mrs. H.W. Lyle; Gordon David, son of Mr. & Mrs. G. S. Jonas; and Patricia Louise, daughter of Mr. & Mrs. H. T. Pederson. Dr. Schwarz preached on the theme of Gambling and pointed out that games of chance, lotteries and raffles all sug-

gest to the players that they may obtain much by risking relatively little, in a sense they appeal to the covetous nature of man. Dr. Schwarz denied that any laudable purpose to which the proceeds of gambling or the operation of a game of chance are put justifies the game any more than if one were to open an establishment of ill repute to support a hospital or church would the end justify the means. Dr. Schwarz pointed out that the same Ten Commandments that forbids the latter also forbids the former. Dr. Schwarz called upon the congregation to support the purposes to which some games of chance are operated in support of, e.g. hospitals, children's parks, homes for the aged, etc., on the basis of Christian Charity and Christian Stewardship, not on the basis of covetous desire.

During the month of August the services in the United Church will be arranged by the Baptist Congregation which worships during the Summer months at joint services with the United Church congregation. Rev. James Joly will be in charge.

BIRTHDAY NEWS

MAYOR'S INVITATION

Next Monday, August 3rd, the Town will mark its 103rd birthday and many things have been planned to make it a day to remember. It is a day of celebration, of fun and games, of excitement and of the finest of all kinds.

I am very happy to say that we are to have a very merry day of fun and games, of excitement and of the finest of all kinds.

I am very happy to say that we are to have a very merry day of fun and games, of excitement and of the finest of all kinds.

My best wishes to all who will be present at the celebration of our 103rd birthday.

Mr.

AVOID THE HOLIDAY TRAFFIC STAY HOME!

This year's celebration of the 103rd birthday of our Town promises to be the biggest ever. There is a tremendous amount of car organizations and businesses very much interested in the parade. As a result we have more entries than we had last year.

The organizers expect thousands of cars from the County and the City to be in the parade. Although we have a large crowd, we will not have a traffic jam. The parade starts at 10:00 a.m. and the cars will be in the parade from 10:00 a.m. to 1:00 p.m.

The parade will be on the highway from the 1st to the 10th. The cars will be in the parade from 10:00 a.m. to 1:00 p.m. The parade will be on the highway from the 1st to the 10th. The cars will be in the parade from 10:00 a.m. to 1:00 p.m.

CIVIC DAY 1964

Next Monday, August 3rd, the Town will mark its 103rd birthday and many things have been planned to make it a day to remember. It is a day of celebration, of fun and games, of excitement and of the finest of all kinds.

It's What's Ahead That's Important

People at St. Albert

have been looking ahead for 103 years.

By caring about tomorrow they have built
themselves a fine modern town with an honorable history.

Northwestern Utilities, Limited,
congratulates St. Albert and its citizens.

We are proud to be able to serve you.

We are proud to be a part of St. Albert.

BIKE DECORATION CONTEST

It seems that this year there will be a record of entries. All participants must be not later than 9 a.m. with their bikes in front of the Yucville Home, where the bikes will be judged. The presentation of the prizes will take place at 6.30 p.m. at the grandstand on the fair-grounds.

Program for the coming weeks:
Thursday, July 3 5 p.m. Vital Grandin
There will be practice for ALL players. Anyone considering playing against Calgary should be there.
Saturday, August 1 9 a.m. All players to be at Vital Grandin to receive last instructions for our game against Calgary, the parade, the banquet, and the new crests; also the final selection of the team which will play August 3, Civic Holiday.
Sunday, August 2 Between 4 and 5 p.m. the Calgary players will arrive in St. Albert. All our players and their parents are urged to be at the St. Albert Community Hall at 4 p.m. where an official welcome by the Mayor of St. Albert on behalf of the Town will take place. After this ceremony you and your parents are invited to take part in a banquet together with all the Calgary players, parents and officials. The fee for this banquet is 50¢ per person. Mrs. Fred DeLuca, the wife of our president, is in charge of the banquet. You can phone her at 599-7052. Not one of us should miss this banquet, and your executive sincerely hopes that all parents will participate. This promises to be a highlight in our 1964 season. We must show our Calgary friends that we are a friendly and progressive Club, and we should make them feel welcome. The officials of the Edmonton District Junior Soccer League are also invited to this banquet.
After the banquet we would like to ask as many of our boys as possible to take at least one Calgary player to his home for a night's sleep and breakfast. The Calgary Club has offered the same service when we go to Calgary at the end of August. Parents and officials are kindly invited after the banquet to have an enjoyable chat-chat at the home of Fred DeLuca, 62 Sunset Blvd.

Soccer *continued*

Monday, August 3 St. Albert's 103rd Birthday. We are participating in the parade, together with soccer players from Legal, Calgary and Leduc, Jasper Place. We will have a colourful decorated float on which our Soccer Queen, and our trophies will ride. On the Fair Grounds we will have our own booth, an original one which we hope will make money for our Club. At 7 p.m. the game between St. Albert and Calgary will start on the Sir George Simpson School Soccer Field. More news regarding this big day will be given during the banquet on Sunday.

We would like to mention that all our players have to participate in this parade, assembling at 6 a.m. at St. Vital Avenue in front of the Yvonne Hotel. **TO THE PARENTS.** We would like to thank you for your wonderful co-operation during this season. We are proud that our Club is supported by parents who realize that their effort is needed for our survival. We, as executive, know that our organization can only have a healthy growth with your continuous co-operation.

The aim of our Club is to develop the physical condition, social feelings and

fellowship of your son in our community. It is worthwhile to work for this.

Once again, thank you each one - and we hope to see you this coming Sunday at our first Heritage Banquet.
